Dear all of you.

I am happy to inform Gwynne that DIAKONIA-DRAE has received the application from the Highveld Deacons in South Africa and has accepted it unanimously. The application complies with all requirements of a membership in DRAE. I will bring your request of membership to the board meeting in DIAKONIA to be held in Germany in July.

I apologize for being late in my communication. The reason is that I am new in office and not so used to all my duties.

All the best.

Marianne Uri Øverland

Dear Marianne & Sabine

I understand from Ann that you had a good meeting in Blackpool! I also hear Marianne that you have had further difficulties with your work and am really sorry to hear that. My prayers are with you. I hope that you are OK Sabine. Would be good to hear your news!

Please see the message from South Africa below. Could one of you please let Gwynne know what is happening and acknowledge that the request for membership has been received. I know that for world membership you need to take it to the World Executive in July & I think that I have told her that but it would be really helpful if she could hear from you. I had worked hard on bringing this application but had made it clear that I needed to pass it to the new Executive.

She really just needs to hear from you that you've got the application and are dealing with it!

I know that it's not always easy to respond with all the other pressures of our daily work but would be really grateful if one of you could contact her as I can't do any more about it now.

Blessings

Jackie

Jackie, I am appealing to you – I do not know what to do. I have not heard from Diakonia at all. Wonder if they do want any new members???? I will check again with the Bishop's secretary when she is back from leave, but the Diocesan office says they have heard nothing re our application.

If you can assist or point me in the right direction – again – I would be grateful.

Warm regards, Deacon Gwynne Lawlor, Daggakraal Parish, Diocese of the Highveld, Southern Africa.
